

Brion Crum is the Senior Vice President for Private Client Group at Caliber Companies. Some of his responsibilities include raising money for Caliber's multiple real estate funds and helping accredited investors develop their wealth.

Prior to Caliber, Brion was a financial advisor at Merrill Lynch and Synergy Investments advising high net worth clients and business owners on strategies for asset protection, tax planning and portfolio construction.

Brion began his career as an Internal Wholesaler at ING Funds before becoming an independent advisor and consultant for high growth potential companies and their executives.

In his work with non-profit and for profit ventures, Brion has been on the founding advisory board of Eliances, an entrepreneurship community, and is a board member/advisor for a diverse group of organizations that have community impact and sustainability at their core.

Brion obtained his BSBA in finance and aviation management from The Ohio State University. He is a registered representative with Caliber Funds, which is affiliated with Patrick Capital Markets, LLC – Member FINRA/SIPC<sup>1</sup>
