

Diane Jezek-Powell, CFRE

Diane brings more than 25 years of experience to fund development in the nonprofit sector. She is currently the Individual Donor Relations Manager for UCP of Central Arizona, which serves people with physical and intellectual disabilities. Diane is passionate about community inclusion for all people with disabilities, and about philanthropy. As part of her role with PGRTAZ, she helped establish the “Just 10 Percent” campaign to encourage Arizona residents to donate 10% of their estate to nonprofits serving our communities.

In addition to her work and PGRTAZ Board responsibilities, Diane finds great joy in faith, family, her beloved grandchildren, Gianna and Elliott, and in her interests in astronomy, science, medicine, and creating sustainable, healthy communities.
