

VP Philanthropy Sun Health System

#232050

Sun Health Foundation believes leadership matters, and we look for people who share our vision making health care easier, **so life can be better**. Our leaders are at the front of the health care transformation, planning the future of Sun Health Foundation.

Sun Health Foundation is the **fund raising arm** that **develops community support** for the Banner Del E. Webb and the Banner Boswell Medical Centers and the Banner Sun Health Research Institute. These institutions were acquired by Banner from Sun Health in 2008. Due to the long-standing relationship with the community, the Sun Health Foundation continues in its philanthropic role. While Sun Health employees are leased through Banner Health, they report to the Sun Health Administration and Board.

As the VP Philanthropy for Sun Health, you will be involved in the **community** representing Sun Health Foundation **managing large campaigns**, major capital, partner with high profile caliber prospects. You have a **great team** supporting the overall philanthropy efforts while growing and developing **your teams** abilities in their career journey.

Your pay and benefits are important components of your Journey at Sun Health Foundation. This opportunity is also eligible for our Management Incentive Program, as part of your Total Rewards package. Sun Health offers a variety of benefit plans to help you and your family. We provide health and financial security options so you can focus on being the best at what you do and enjoying your life.
