

Vince Fraumeni

Developer of Planned Giving Programs

Vince developed award-winning programs in Planned Giving at such prestigious institutions as the House Ear Institute, Children's Hospital Los Angeles, Chapman University, Whittier College and others. At Memorial Medical Center Foundation in Anaheim, CA, he directed the fundraising program rebuilding and expanding the Board of Directors and developing special opportunities for Major Gift fundraising.

As a frequent speaker and workshop presenter, he has trained numerous fundraising professionals and volunteers throughout the country. His informative presentations are filled with useful ideas, clear, and to the point.
