

***“The Fine Art of Gifting: The Role of Appraisers and Appraisals in Non-cash Charitable Contributions”***

- What constitutes a qualified appraiser?
- What constitutes a qualified appraisal?
- What are the 60 day and related-use rule?
- What are the new mandates that the IRS has imposed regarding specific language appearing in qualified appraisals?
- What other requirements should financial planners and non-profits know to effectively guide a client or donor through a non-cash charitable contribution?
