CASE STUDY

CEO – can you hear me now

CASE STUDY

The Magic of Presentations

- When presentations are done effectively, there is no faster or more powerful marketing tool to discover new prospects/clients or to close new major/planned gifts.
- Presentations have the amazing ability to accelerate time and the normal process of relationship-building, which gives it a unique advantage over print and electronic marketing, special events, networking, volunteering, and even donor visits.

How to Create/Elements

- **Opening**
- **Get their attention**
- **Donor/Client stories**
- **Humor, quotes, videos**
- **Big finish**
- **Call to action**

Three Observations

- **The title and/or your innovative idea**
- **People read 3x's faster than you can speak.
Animation!**
- **Limit the use of industry jargon and terminology**

Creating the Event

- **RSVPs and donor base**
- **Headline act**
- **Other speakers, venue, food, entertainment**
- **Event/topic title, program, budget**
- **Targeted PG topic events**

Sample Partnerships

- **Basketball, Volleyball, Football, Baseball games**
- **Theater, Musical, Backstage Tours, Cinema/Music Studios**
- **Aquarium, Glass-Blowing, Art Museum**
- **Medical School Symposium, Cancer Research Symposium**
- **Architecture, Business, Law, Astronomy**
- **New Building/Facilities Tour, Research Ship Tour**

THANK YOU!!!
